Lloyd's Register of Shipping,

Empire Merchant

342, Argyle Street,

Glasgow, 13th February, 1925.

Dear Sir,

Reference

With reference to Glasgow Report No. 44350 on the machinery of the steamer "RYDAL HALL", I regret to find that through an oversight it is stated that forced draught was not fitted.

The boilers are fitted with Howden Forced Draught and the Nominal Horse Power should therefore be 474, and I shall be glad if you will kindly amend the report accordingly.

The resulting difference in the fee, viz:-
£8 : 11/- is now being charged.

I am, Dear Sir,

Yours faithfully,

S. Davis

The Secretary,

GLASGOW.
