Vessel's Name: S.S. "EMPIRE MERCHANT".

In reply to your favour of the 11th instant, we wish to express our thanks for your kind permission as to allow the drydocking of the captioned vessel to be carried out during her Special Survey at Japan until May 1957, and also your approval in respect to Annual Load-Line Inspection to be held before the end of October instead of 2nd July of this year.

Regarding the Boiler Survey which becomes due at the end of this month, we beg your kindness to extend such survey to be done any time before the end of this October during the said vessel's stay at Calcutta for discharging and loading due to the fact that this vessel is now under her way to Andaman Islands for timber cargo via Madras in accordance with charterers' instruction and will probably be returning to Calcutta again six to seven weeks later. Therefore, your kind approval to the above will be highly appreciated.
