Dear Sirs,

No. 607.

The Owners of this vessel have informed us that they would prefer to have the scuppers to the bridge tween decks led into the bilges instead of being led overboard as required by the Rules, and we shall be glad to learn whether you are prepared to consider this departure, to meet the Owners' wishes.

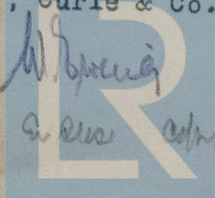

The bridge tween decks would be exempt from tonnage measurement.

Yours faithfully,
for Barclay, Curle & Co. Ltd.,

Director.
