LLOYD'S REGISTER OF SHIPPING,
R O T T E R D A M.

11th August, 1947.

Dear Sir,

In reply to your S letter of the 5th instant referring to that of the 6th June about s.s. "KERTOSONO" and others I beg to state that on the 10th June I called on the Owners Messrs. Rotterdamsche Lloyd and exposed the case.

I met full understanding from Mr. D. Ruys and he stated that the matter would receive their attention, though he feared that some time would pass before alterations could be carried out.

The same day I confirmed in writing our conversation but to my regret I omitted to inform you.

This week I shall call again, having business with Mr. D. Ruys in connection with Mr. Sladden's semi-official letter about s.s. "SALATIGA".

I shall keep you advised.

Yours faithfully,

The Secretary,
LONDON.
