Lloyd's Register of Shipping,
Trieste.

Re: Preliminary freeboard Project N. 343 H.

We beg to request you may kindly favour us with
a preliminary freeboard for the above Project.

For the calculation we attach herewith a sketch
of the vessel, in which the principal characteristics are
given, the sheer, the round of beam, the under deck tonnage
and the other necessary particulars.

We would mention that if this ship is ordered from
us, it will be built according to the Rules and under the
special survey of your Society.

We are &c.
