Reference

Dear Sir,

M.s. "COSTANZA"

With reference to Memorandum of the 3rd June, the Owners now state that they are re-considering the opportunity of retaining the Society's Classification for the above ship.

A final decision could be achieved only in six months time and they ask therefore that the class is not withdrawn in the meantime and propose to carry out a General Examination for six months postponement of the Special Survey.

An early reply would be much appreciated.

Yours faithfully,

The Secretary,
LONDON.-
