Dear ^Sirs,

Re: s.s " DANAE "

I have been informed by the Owners that the vessel is presently at Beyrouth for changing crew. Thence the vessel is leaving for Aden to discharge a full cargo of sugar.

After discharging at Aden the s.s " DANAE " will proceed to Suez for drydocking and boilers survey.

The Owners calculate that the vessel will be at Suez towards the end of September.

Under the circumstances and with Mr. J. Alexatos at Beyrouth I will make it a duty to convey to the owners concerned your and your Principals' views on the subject.-

Yours faithfully,
A.N. ATHANASSIADES
