Reference

Dear Sir,

s.s. "BENVANNOCH".

We would refer to our Report No. 19796, forwarded on the 31st December last, on which we do not as yet appear to have received a classing letter.

We have received an enquiry by telephone from Mr. Hill of The Ben Line, regarding this case and we should be glad to learn at your earliest convenience, for his information, whether the vessel's class has been continued without further condition regarding the repair to the sternframe, as recommended in the report in question.

Yours faithfully,
The Surveyors,
