Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

1st September, 1933.

Dear Sirs,

As I have received no reply to my letter of the 4th May last, enquiring what arrangements you proposed making to give effect to the recommendation, made in March by the Society's Surveyor at Lisbon, in respect of the port Donkey Boilersfurnace and the No. 4 (port and starboard) and No. 5 double bottom tanks of the Motorship "ENUKIDSE", it is concluded that you do not intend to retain the vessel's classification with this Society.

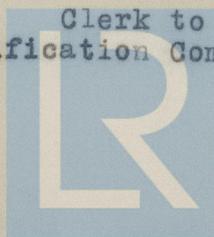

I shall therefore be glad to have your confirmation by return mail, otherwise the case will have to be reported to the Committee with a view to the vessel's class being dealt with.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.

Messrs. Sovtorgflot,
Petrovka 3,
MOSCOW.
