The Secretary,
Lloyd's Register of Shipping,
Wokingham, Berks.

Dear Sir:-

With reference to your Classing Letter of 7th ultimo regarding our First Entry Report on the Boilers and Electrical Installation of the S.S. "ROCKWOOD PARK", we have to advise you that Mr. J. S. Heck, New York, has communicated with us and pointed out that our Electrical Report requires to be amended.

We herewith enclose this amended Report, which we trust will be found satisfactory, and which we shall be glad if you will substitute for the previous Report.

We also enclose two (2) certificates for the Auxiliary Engines and Generators; and results of welding tests on the Boilers which we have received from the Montreal Surveyors. 17.7

I am, Dear Sir,

Yours faithfully,

R. M. Scott

Surveyor.
