Finkle Chambers.

Stockton on Tees

Sir,

Has Pagon & No. 543

In No. 9 Supplement received to day I notice  
that the Masters of Enquiries for this vessel are  
given as Starline & Wolff L. Glasgow.

I wish to point out that this does not accord  
with the information coming under my notice  
professionally. The vessel was Stockton  
built & engineered by Blair & Co. The name is  
in my letter of 17 Oct last to Has Pagon &  
copy equally in this case.
