Last docking date..... 5,57

Special Survey due 9,57 commenced Montreal 5,57.  
Main Boiler Survey due 6,58

Hull Subject:- See endorsement 24.1.58 (next d.d.)

to be .....

In July last action was deferred, it being reported that the ship was strike-bound.

The Montreal Surveyors now state that the ship has been sold and it is understood that the new Owners desire to retain the class. The ship remains strike-bound and no work can be carried out pending the outcome of the strike.
