1st July, 1958.

Dear Sirs,

S.S. "CANADIAN OBSERVER".

With reference to your memorandum of the 21st June, it is noted that this vessel is still laid up and I have to inform you that action and the notation of SS. Mtl. 5,57 has been deferred until September, 1958 for completion.

It is concluded that all double bottom tanks and offerdam, fore and after peak tanks and the starboard fuel bunker and settling tanks were examined internally for Special Survey, as it would appear that this has been omitted from the surveyors report No.11617 and I shall be glad therefore if you will confirm this.

Yours faithfully,

CC.HFX.

Clerk to the  
Classification Committee.

Surveyors,  
MONTREAL.
