Particulars of Classification (which must be inserted precisely as in Register Book and Supplement)

must be reported in the terms of the Rules. The nature and extent of Examinations (if any) must be stated in detail, the parts examined and their condition being indicated. For Annual, Special or other Condition Surveys the Summary of Condition and Condition on the back of the Report is to be carefully completed and necessary in the body of the Report. Outstanding items to complete the Survey summarised at the end of the Report. The reasons for Repairs must be stated. Account of Damage (the alleged cause of which must be stated) should be separated from other causes, and, besides being detailed in the body of the Report, summarised in the form below. When, at a Special Survey, the Shell and Deck are drilled the results must be reported on Report 8(Dr). Whenever Anchors or Chains are replaced or retested the necessary particulars are to be given on Report 8(Eq) and be attached to this Report.
