Dear Sir,

RECEIVED
23 AUG 1960

M/V "CAPO FARO"

Receipt of your letter to the Mestre Surveyors with reference to the General Examination requested by the Owners of the above ship with a view to postponement of the Special Survey is acknowledged with thanks.

We have now been informed by the Owners however that they have chartered the ship for a period of several years to an Italian Owner who requires only Registro Italiano Class.

For this reason Messrs. G.E.N.S. wish to withdraw the vessel from class, they state however, that it is their intention, on completion of the above charter, to re-class the vessel with the Society.

Yours faithfully,

The Secretary,
London
