The Secretary,  
Lloyd's Register of Shipping,  
LONDON.

Dear Sir,

### "METROPOLITAN"

The Owners' Agents write to us as follows:-

" We beg to advise that the above vessel arrived the Hitachi Mukaishima Shipyard yesterday to commence with her special surveys in that shipyard and it is owners' decision to carry out the said special surveys and maintain the ship under the rules of Bureau Veritas.

We, therefore, shall be much obliged if you will kindly take note and withdraw her class from your register book accordingly.

In the meantime, we are collecting from the vessel the International Loadline Certificate as well as the Classification Certificates formerly issued by your esteemed society so that they may be surrendered to your goodselves for cancellation in due course. "

Yours faithfully,

*James A. Anderson*
