Built 8 - 1945 Tonnage \_\_\_\_\_ Owners \_\_\_\_\_

Class \_\_\_\_\_ Port of Registry \_\_\_\_\_

Last docking date 8, 56

Surveys due Special Survey due 5, 57 commenced at Montreal 8, 56  
Main Boiler Survey due 5, 58  
Screwshaft Survey due 3, 57

Proposed to be \_\_\_\_\_

Remarks In February last action was deferred, it  
being reported that the ship was strike-bound.

The Montreal Surveyors now state that the ship has been sold and it is understood that the new Owners desire to retain the class. The ship remains strike-bound and no work can be carried out pending the outcome of the strike.

Chief Surveyors' recommendations \_\_\_\_\_
