QUESTION

ANSWER

Date:— 26th July, 1957.

I shall be glad if you will ascertain from the Owners and let me know what arrangements they propose making to have this vessel examined in drydock, as it would appear from the records in this Office that she has not been seen in drydock by the Society's Surveyors since May, 1956.

The fleet of the Canadian National Steamships is at present strike-bound but the Owners intend to drydock this ship together with the "CANADIAN VICTOR" and the "CANADIAN HIGHLANDER" in the near future, on the termination of the strike.
