# LLOYD'S REGISTER OF SHIPPING

UNITED WITH THE BRITISH CORPORATION REGISTER

Port MONTREAL

19th June, 1957

This is to Certify that I have

Starboard Part  
Surveyed the Boiler and Machinery of the S.S. "CANADIAN VICTOR"

2963 tons gross of Montreal whilst lying afloat at Montreal on the

12th June, 1957 and subsequently

and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report stating that all recommendations made by me in connection therewith have been carried out to my satisfaction, and that I have Recommended that the record of MBS (with date) as previously recommended and E.S. (with date)

be made in the Register Book in the case of this vessel when the survey has been completed.

Parts now examined:—

Starboard Boiler in its entirety and safety valves adjusted.  
All main bearings.  
Thrust block shaft and bearings.  
After Dynamo Engine.  
Starboard F.O. pressure pump.  
Anchor windlass.

*Ala. H. W. Douglas*

Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
