

The Secretary,
Lloyd's Register of Shipping,
LONDON.

Dear Sir,

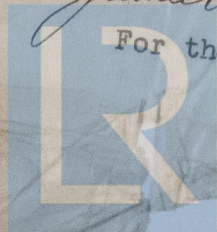

S.S. "COLON"

On receipt of your classing letter of 26th ultimo, we enquired from the Owners as to the position in regard to the abovementioned vessel and are informed that the ship is now trading in North China.

It would appear that the vessel was cleared from this Port under an arrangement between the Hong Kong Government and local Surveyors, excluding Surveyors to this Society, whereby such vessels are cleared on the production of a "seaworthy" certificate issued by the local Surveyor.

Yours faithfully,

James Henderson
