H. S. Melton Esq.,

Surveyor to Lloyd's Register,

Colombo.

Dear Sir,

FERRY STEAMER "IRWIN."

For your information we append the following extracts from a letter received by us from the Secretary of the Salvage Association, London, dated the 26th ultimo:-

"I have your letter of the 6th instant enclosing your Surveyor's Report in this case contents of which I have noted with interest. He doubtless acted without prejudice though this is not mentioned in the Report."

"It would be of interest to know the number of hands employed in the Engine Room and the number the Surveyor considers would have represented an adequate complement. "

We shall be glad to receive your replies to the above queries as soon as possible.

Yours faithfully,

*Aitken Spence & Co.*
