

LLOYD'S REGISTER OF SHIPPING,  
YOKOHAMA.

8th July, 1952

Dear Sir,

In reply to your classing letter of the 27th June 1952,  
we have to state as follows :-

"USA MARU"

The reported thickness of the 2nd deck  
stringer plate in way of bridge - 8mm.- is  
confirmed. This thickness is as shown on the  
approved plan of Second Deck.

"TOZAN MARU"  
"TOKYO MARU"

The Forging and Casting Certificates were  
forwarded with our letter of the 24th June 1952 ✓

The approved plans requiring certification 0  
are awaited.

"TOKYO MARU"

As requested we now forward herewith plans  
of Stern Construction and Bow Construction. ✓  
It is regretted that these plans were not  
sent with the 1st Entry report.
