

EXTRACT FROM YOKOHAMA CLASSING LETTER - 27th June, 1952.  
-----

651. "TOKYO MARU". This vessel has today been classed ~~100~~ A1 with the appropriate notations recommended by you. In this case also the plans of Midship Section and Profile and Decks are being returned to you under separate cover for certification.

I would refer you to Circular No. 1962 and shall be glad if you will forward plans of the forepeak and afterpeak bulkheads for dealing with your first entry report.

Receipt of Forging and Casting Certificates for the sternframe and rudder are awaited in due course, and in this connection I acknowledge receipt of your letter of the 23rd ultimo.
