

COPY OF AIR LETTER

# LLOYD'S REGISTER OF SHIPPING

71, Fenchurch Street, London, E.C.3  
24th September, 1957.

KINGSTON.

RMC. 3920, 21, 23, 24, 25, 27, 28, 30 - As recommended.

3922 "OXNA" - As recommended, except that the machinery class has been continued without special condition in regard to the examination of the boiler under steam and adjustment of its safety valves. In this respect I think it well to inform you that it is the normal practice to record conditions of class only in regard to known defects and not on account of incomplete or overdue periodical surveys.
