Dear Sir,

Sincerely,

RNC

With reference to my  
I give below the names of the

be obliged if you will kindly  
let me know whether it is des  
classification namely,

You will appreciate that in each instance, either  
a survey or some classification requirement is due, and the  
cases must shortly be submitted to the Committee for their  
consideration and they will doubtless not agree to the class  
being further maintained unless the overdue surveys are  
dealt with.

While writing, I would also refer to the under-  
mentioned cases, namely,

Trawler "JUPITER" Boiler Survey due 7,50, partly held.  
Special Survey due 9,50 (held on hull and partly  
held on machinery)

Trawler "KAUTONIA" Set over stem and stem plating, to be examined  
and dealt with as necessary by 1,51.  
Boiler Survey due 3,51.  
Special Survey due 4,51.

Tug "DZIK" Boiler Survey due 6,50

and would remark that, in the absence of any definite  
arrangement being made for the outstanding items to receive  
attention, these cases also will be submitted to the  
Committee for the cancellation of class.

There is one further case, the steamer "JOLISZ",  
in which a Boiler Survey will become due at the end of

/- next month, and
