

Wood Motor Fishing Vessel "URANIA"

No.80018 in R.B.

Built 1944

Classed 8A-  
from 9,47  
For fishing purposes.

No Surveys due.

Enquiry was made on the 30th October 1950 of Mr. Wozniakiewicz, Chief of the Polish Shipping Mission in London, as to whether he was in a position to advise the Society of the Owners' intentions regarding the carrying out of outstanding surveys and the maintenance of the class of the above vessel. No reply was received to this communication and a reminder was sent to Mr. Wozniakiewicz on the 10th January 1951, but no information has been furnished so far.

8th February, 1951.
