Dear Sir,

The Owners of the "NORELG" have produced to us a bill from the Shanghai Dockyards showing the dry docking and repairs effected to the vessel during the period 26-6-52 and 1-8-52.

This account is forwarded with the Owners request that consideration be given to a record of docking in this case. As you are aware the facilities for survey previously arranged at this Dockyard no longer exist and consequently we have no recommendation to make in this instance.

Please return the attached account after perusal.

Yours faithfully,

James Anderson
