CABLE ADDRESS: MARINE

Dear Sirs,

Motorship "JOAN MOLLER"
and Steamer "NORELG"

The cases of the above named ships have been under the consideration of the Committee in the light of the comments contained in your letter of the 7th ultimo, and in the circumstances they have decided to record a notation of "Surveys overdue".

This notation is somewhat on the lines of that of "Surveys delayed" previously recorded in other similar cases, but the Committee feel that "Surveys overdue" more correctly reflects the position, and accordingly propose to assign this record in future.

Yours faithfully,

Assistant Clerk to
the Classification Committee.

The Surveyors,
HONG KONG.
