AIR MAIL

The Secretary
LONDON

Dear Sir,

We have only recently received from the Non-Exclusive Surveyor at Honolulu his Rpt. 5b for February, March, and April, together with various survey reports.

It would appear from the reports that these were written immediately after the survey, but that he is retaining them in his office for a considerable period before forwarding them to this office.

We are in communication with the Surveyor to put this matter in order.

Yours faithfully,

[Signature]
Secretary to the
American Committee
