The Secretary,
Lloyd's Register of Shipping,
LONDON.

Dear Sir,

M.V. "NAN YANG"

The following extract of a letter from the Owners is self-explanatory :-

"We beg to report to you, for your kind information, that the above mentioned vessel is under Time Charter at present for one year beginning from July 1st 1956, while the Special Survey for the said vessel will be due at the end of this year.

A letter has just been received from our Agent in Singapore stating the inconvenience and difficulty to have the vessel surveyed and repaired during the course of the charter and suggesting us to apply to you for an extension of the Loadline Certificate of the said vessel.

Under such circumstance, we beg to request you a favour of further extending the availability of her Loadline Certificate until 30th June, 1957.

We shall be much grateful if you will kindly have our request approved as a special favour and oblige."

Yours faithfully,

James A. Anderson
