QUESTION

ANSWER

August 7, 1959

With reference to my letter of the 8th April last and previous correspondence, I shall be glad to learn at what port the Main Boiler Survey, which became due so long ago as October last, will be completed by the renewal of the boiler furnaces by the end of the present month.

Information is also requested as to the Owners' intentions regarding the Screwshaft Survey which will become due at the end of September next.

[Signature]

Date:— I have been informed verbally that the boiler furnaces were renewed at Savannah under the supervision of the American Bureau Surveyor and that the Owners intend transferring class to that Society.

I have been promised confirmation of this in writing.

W. G. H.
