Re: S/S CARIBBEAN TRADER ex S/S ATLAWILL

Dear Sirs:

Please refer to your letter dated February 26, 1959 which was addressed to the former Owners and which was passed on to us.

In connection with this subject please be informed that we have already placed an order with Messrs William Gray & Company Limited of West Hartlepool, England for six new furnaces as per the enclosed correspondence.

Under the circumstances we would appreciate your extending the date for renewing the furnaces up to the end of June 1959, in which time the new Owners would be able to get delivery and proceed with the installation of new furnaces under the supervision of the Lloyd's Register Surveyor in a U.S.A. East Coast Port.

Thanking you for your attention to this matter and awaiting to hear from you.

Very truly yours

NORTHERN SHIPS AGENCY INC.
