Classen (S)  
AR/BS

Dear Sirs,

Motorships "ABQAIQ" and "DAMHAM"

I acknowledge receipt of your cablegram of the 21st May from which it is noted that the class of these ships is being transferred to the American Bureau.

The cases received the consideration of the Committee at their meeting today and, in view of the fact that you have decided to relinquish the Society's class without the overdue classification matters being dealt with under the supervision of the Society's Surveyors, instructions were given for notations to be recorded in the Register Book in each case indicating that the class has been expunged on account of non-compliance with regulations.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.
