gements  
v agreed ..... Postponement of Special Survey until January or February, 1960 was approved 1.1.60. On 26.2.60 the Aden Surveyor reported that the ship was expected to arrive at his port about the 10th March. On 22.3.60 the Aden Surveyor stated that the Owners' Superintendent Engineer was expected to arrive in Aden by the end of March to discuss with the Repair Firm the arrangements to be made for the Special Survey and to finalise the drydocking dates.

proposal ..... The Aden Surveyor now states that any arrangements discussed between the Owners' Superintendent Engineer and Repair Yards in Aden have been cancelled. From further enquiries it appears that the ship will now carry out the Special Survey at Suez, although this information is not definite.

ical  
mendation ..... Submitted Owners be requested to advise definite arrangements for all outstanding items without delay.
