30th July, 1924.

Dear Sirs,

I am favoured with your letter of the 29th instant, regarding the date of build of the s.s. "SAINT ROMINIQUE", and in reply I am directed to state that as the case of this vessel has already received the consideration of the Committee, and a specially late date of build decided upon, it is regretted in the circumstances that the case cannot be reopened.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors.

HULL.
