Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

12th July, 1922.

Dear Sirs,

S.

I am in receipt of your letter of the 11th instant, respecting the case of the steamer "SAINT ROMINIQUE", and note that the Owners desire that the date of build to be recorded in the Register Book for this vessel should be as late as possible.

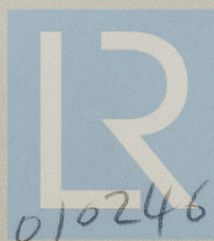

I shall be glad if you will be good enough to state whether there are any special circumstances in this case which would justify the Committee in recording a later date of build than that admitted by the Society's Rules (Para.7. Page 10) for a vessel of this size, i.e. August, 1921, or six months after the date of launch.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,
HULL.
