

S. J. Saint Rominiqua

Jul 34 1916.

This vessel was completed at Hull in June 1922. but the classification has been deferred on account of the reversing engine requiring to be tested under working conditions.

The vessel has ~~recently~~ been laid up at Hull & action has been deferred.

The Hull surveyors now report the vessel has been examined in dry dock on acc of damage through grounding.

It is submitted that
this vessel is eligible for
THE RECORD.

+ L. M. C. 6.22. Subject to
the reversing engine being tried under
steam.

C. L. Fitted for oil fuel 6.22. T. P. above 150' ft.

Date of construction 6.22

T. P. 28/12/23
