Dear Sirs,

Barges "CMS I" Yard No.853
"CMS V" Yard No.857
Built by Cheoy Lee Shipyard
for the Mineral Sands Corporation
of Ceylon.

Reports have been received from the Hong Kong Surveyors of surveys held during the construction of these barges with a view to assignment of class "100A1 Barge" "For Ceylon Coasting Service".

Before the class can be assigned to these barges it will be necessary for a General Examination to be held on these craft on arrival in their service area and I shall be glad if you will carry out such an inspection and furnish your reports of these cases in due course.

Yours faithfully,

Deputy Clerk to the
Classification Committee.

The Surveyors,
COLOMBO.
