Dear Sirs,

Motorship "WALCRAG".

C.

AH/SM

I acknowledge receipt of your letter of the 14th instant, the contents of which have been noted.

The condition of class recorded against this ship which requires the indented A1 and B1 starboard side forward shell plates to be examined and dealt with as necessary at the next drydocking indicates that the plates are expected to be examined at any drydocking in order to ascertain that they remain efficient.

Yours faithfully,

Deputy Clerk to the
Classification Committee.
