Dear Sir,

m. v. "WALCRAG"

We confirm our telephone conversation with your Mr. Martin this morning when we informed you that we should like to defer the special survey on the above vessel due in April this year, for a period of 12 months.

The vessel is at present at the yard of Messrs. Vlaardingen-Oost near Rotterdam, undergoing certain machinery repairs with cargo aboard. These repairs are expected to be completed by Friday of this week. Your surveyor is in attendance and as we understand that you will require an inspection before granting us the extension requested, we should be grateful if your surveyor would progress the examination as far as possible whilst the vessel is at Vlaardingen. Any work outstanding when the vessel leaves can be completed at a later date as required by your good-selves.

Yours faithfully,
for WALFORD LINES LIMITED.
