Dear Sirs,

I duly received your letter of the 9th instant regarding the steamer "NAM SANH" and much regret that you are being put to some inconvenience in endeavouring to ascertain the intentions of the Owners as regards their overdue surveys.

The Committee appreciate the trouble you are taking, and perhaps you will be good enough to inform the Owners that the maintenance of the vessel's class with Lloyd's Register will be jeopardised if Drydocking and Boiler Surveys are not taken in hand by the end of June.

Failure to arrange for this to be done would lead to loss of class at that time.

Yours faithfully,

Clerk to the  
Classification Committee
