Dear Sirs,

SS "NAM SANH"

We have been advised by Lloyd's Register of Shipping that the validity of the "Certificate of Lloyd's Register of Shipping" with regard to the engines of "NAM SANH" has expired since the 31st December, 1955.

If you wish to retain the classification with Lloyd's, it is necessary for your ship to undergo a survey in dry-dock by a surveyor, which we would then nominate as soon as possible.

Please let us have your instructions in the matter.

Yours faithfully,
