Enclosures

(8) Dear Sirs,

I have to acquaint you that the remarks contained in your letter of the 18th April in the cases of the "ADELINA" and "DEBORA" were read to the Classing Committee.

They note the Owners do not contemplate any direct voyage from Singapore to Foochow, and that they now understand what is meant by the word 'coastwise'.

Accordingly the recommended class has been assigned to the "DEBORA" together with the notations of Special Survey recommended by you in your Report No. 12392, certificates for which are enclosed.

Yours faithfully,

Clerk to the  
Classification Committee

The Surveyors,  
HONG KONG.
