

"DEBORA" and "ADELINA"

The remarks contained in the Hong Kong Surveyors' letter of the 23rd instant concerning these cases were read to the Classing Committee today.

Subsequently it was ascertained from Mr. J. Turnbull that it might be possible to suggest additional strengthening to cover direct voyages from Singapore to Foochow.

Mr. R.M. Turnbull would be glad to receive not later than Tuesday next, 5th proximo, a statement setting forth these requirements.
