=====

Dear Sirs,

s/s. "Oskar".

I am in receipt of your favour of the 25th of October, contents of which I noted.

Regarding the vessel's plans I note that these are your property. When I purchased this ship, I could not obtain any exact plans, but now certificates and exact situation plans of the boilers and the engine and further the general plan of the boilers are in my possession. I only want still a general plan and a chief plan of the ship and also a midship section plan. I kindly beg you to let me know the costs, which will arise for the plans wanted.

Awaiting to hear from you, I am, dear Sirs,

Yours truly

Ragnar Nilsson
