Dear Sir,

We are in receipt of your letter of the 28th inst., with reference to the special Survey of the Boilers of the above steamer, which is now due. In reply, we beg to advise you that this vessel is now laid up, but this Boiler Survey will receive attention before she is chartered for further business.

We also note the remarks contained in your P.S. regarding the Screwshaft Survey, which falls due at the end of next month, and we are accordingly passing a copy of your letter on to our Supt. Engineer, Mr.C.E.Kendall, who will give this matter his attention.

Yours faithfully,
