Dear Sir,

s. s. "POLMINA". Reference: "H".

We are in receipt of your letter of the 17th inst., from which we are pleased to note that your Committee, at their Meeting held yesterday, agreed to our proposal to have the Special Survey No. 2 of the above steamer carried out some time within the year of grace allowed by your Society's rules, that is to say, by the end of February 1926.

We are greatly obliged for this concession, and will see that the survey is duly carried out within the time stipulated.

Meanwhile, we remain,

Yours faithfully,
