Dear Sir,

Lassn (S)

HWM/CB

Steamer "OAKBY" now named "ERINIO"

With reference to your call at the Society's Ipswich Office, when you requested details of the Society's minimum requirements for the issue of a certificate to allow this ship to proceed to Rotterdam under her own power, I have to acquaint you that provided a satisfactory General Examination is carried out by the Ipswich Surveyors, they will be in order in issuing a certificate as an unclassified ship to cover the voyage to Rotterdam.

At this survey it will be necessary for the boilers to be examined internally and under steam, also for the machinery to be generally examined and seen under working conditions.

Yours faithfully,

c.c. Ips.
c.c. Lon.

Deputy Clerk to the
Classification Committee.

Captain Lemos,
c/o Messrs. Groom & Sons,
41 Church Street,
HARWICH.
