Dear Sir,

S.S. "ERINIO" ex "OAKBY"

A Captain Lemos called at this office yesterday, and claiming to be part Owner of this Ship along with Mr. Ponticos, requested that particulars of the minimum survey requirements for this vessel to proceed to Rotterdam, under her own power, should be forwarded to him c/o. Groom & Sons, the vessels agents at Harwich.

The vessel is still laid up in the River Stour, and a certificate of seaworthiness to tow as a hulk, to a near continental port was issued from this office on 24th July last.

We will be pleased to receive your instructions regarding this vessel, when you advise the present Owners regarding outstanding surveys.

Yours faithfully,
The Surveyors.
