The Director of Marine,  
Marine Department,  
L A G O S.

Dear Sir,

"P A T H F I N D E R".

I have to inform you that the above vessel has been surveyed by Southampton Surveyors during construction for the assignment of Convention freeboards.

As the builders have been informed that the ship is to be classed for limited service, the classification certificate will not be issued until she has been examined and found satisfactory on arrival in Nigeria.

I have the Service Load Line Certificates in my Office for issue when the freeboards have been amended and verified, the necessary examination carried out and the Official Number inserted. I will be pleased to know when this can be carried out.

Yours faithfully,

(Sgd) G.M.KERSEY.

Surveyor to Lloyd's Register.
